

CALL FOR PARTICIPATION NUIT BLANCHE 2014 SPECIAL EVENT MIXAGE FOU

Mixage Fou project was selected by the artistic committee NUIT BLANCHE under the artistic direction of José Manuel Gonçalves, Director of CENTQUATRE to install in the gym Marcel Cerdan (Paris 75013).

Mixage Fou invites all artists participants of previous Mixage Fou editions to create and disseminate sound experiments in the gym Marcel Cerdan and also celebrate the launch of Mixage Fou's 6th edition.

Mixage Fou invites the public to be surprised by the experiences of unique works: from the banks of sounds, mixing and sound design and experimental forms.

Come show your sound creations!! All experimental forms are welcome (live, installation, soundwalk...)

We have no funding for this project, so it is realized with the generosity of participants, members of Mixage Fou. We can offer space and technical advice to artists from audio professionals

How to participate ?

Submit your artistic project (performance, installation, live, experimental forms, multichannel soundscape ...)

° a brief description (maximum one page) with a web link to a sound demonstration

° the room you want and the amount of space needed for your installation/ length of your presentation

° do you have your own broadcast equipment, if so what kind? your details

To be sent to: mixagefou@gmail.com / A response will be sent **mid-September**.

Conditions ?

° **Having already participated** once Mixage Fou 2009, 2010, 2011, 2012, 2013

° We **accept candidates who have not participated in the competition** provided they agree to participate in the **new edition with a deposit in a "space" category (5.1 or 9.1 or binaural)**.

° You may use experimental sound using Mixage Fou or using your own sound/system

° A selection committee meets in early September

° must be present on the 1st or 2nd of October for installation and be present on October 4th between 19h-3am

° Having its distribution system (MP3 Headset-iPhone accepted; mono or multichannel speaker, cables ...)
